Playground Equipment Safety Tips

Remove cords and drawstrings on children’s hoods, hats and jackets.

Tuck in all clothing that can get caught on playground equipment

Make sure your child does not tie ropes or skipping ropes to slides and other playground equipment.

Have your child remove their bicycle helmet before using playground equipment. Bicycle helmets can get trapped on the equipment and strangle a child.

Always check the playground equipment and play surfaces prior to your child using. Damage equipment or broken glass can be reported by calling 905-775-5359 ext. 5200.

Remember, Safe Play is Supervised Play.
